Starting to feel it in the legs. Speed limit is 80 mph, get to speed up from 70 mph in OR. NO BRAKES ON THIS TRUMP TRAIN.

18 my vehicle has 5. but there are any where from 20-50 vehicles that are in our group, meeting in CO tomorrow. We were thrown a curveball by the weather, our vehicle was stuck in the snow for 2 hours and we had different depart times based on how many breaks they wanted.

7 went through the i90 last night, was a pain. Three hours for a normal 1 hour trip back form the mountains. Have you get good weather from here!
